5K Race and 1M Fun Walk

Open to all Landings residents!

Join us for the inaugural TFAC Trot to help raise funding for cancer research*. This event will include a 1- or 2-mile fun walk with dogs and strollers allowed and a 5K race.

The routes are in the Oakridge section starting and ending at the fitness center. The 1-mile fun walk will follow the same route as illustrated below, except after the one-mile marker we will turn left to return to the fitness center and then 2-milers can choose to do a second loop:

Note that for safety reasons, all participants must use roadside trails whenever they exist, and when there are no trails we will be running/walking on the left side of the road facing the oncoming traffic as per Georgia code 40-6-96.

*The 2022 beneficiaries are Mercer School of Medicine for cancer research, and St Joseph's/Candler Foundation for cancer patient care.
